N. B.—In every Leap Year, for January and February, use the Letter above the blank space before that Year; and for the other Months use the Letter belonging to the respective Year.

The following distances and angles formed by the Madras Church Steeple, the Flag Staff on St. Thomas's Mount, and Perumbaukum Hill (a small sugar loaf detached hill which lays about 8 miles South of the Mount, and whose position was determined by Major Lambton's Survey,) will enable any observer on board of a Ship riding in the Madras Roads to determine it's birth with great precision by taking their angular distance with a common Sextant.

GOVERNMENT ADVERTISEMENT.

PUBLIC DEPARTMENT.

THE Right Honorable the Governor in Council having been informed that an erroneous opinion has been entertained of the nature of the orders which have been furnished to the Superintendent of the H. C.'s Observatory, in regard to Sea Time-keepers delivered to his charge for the purpose of having their daily rate ascertained; Notice is hereby given, under the authority of his Lordship in Council, that all Chronometers which may be sent to the Observatory by any of the Captains and Officers of His Majesty's Navy, or of the H. C.'s Sea Service, or by the Masters and Officers of British Merchant Vessels frequenting this port, will be received every day (Sunday excepted) between the hours of Eleven and Two. That they will be regularly compared for as many days as may suit the occasion of the Owners, and that they will be returned on written applications between the same hours, accompanied by detailed accounts of their rates of going while deposited, free from all fees or charges of every description.

Published by order of the Right Honorable the Governor in Council.

G. G. KEBLE,
SEC. TO GOVERNMENT.

FORT ST. GEORGE, 20*th April* 1807.

Pursuant to the above Advertisement, notice is hereby given that no Time-keeper sent to the H. C.'s Observatory, for the purpose of having it's rate ascertained, will be returned without a *written* application from the person who sent it; such application to be transmitted within the hours mentioned in the Advertisement.

That a Receipt, specifying the Names of the Maker and Owner, and the No. of the Watch, will be given, for every Time-keeper deposited at the Observatory; this Receipt will

be signed by the Superintendent, and should be returned with the application for the Time-keeper.

MADRAS OBSERVATORY, November 20, 1813. (Signed) J. GOLDINGHAM, SUPERINTENDENT.

N. B.—It is recommended not to send Time-Keepers in a Palankeen, it having been found by experience that the motion alters the rate, and sometimes stops the Time-keeper.

The above Catalogue was deduced from the observations made at the Royal Observatory in the Years 1812 and 1813, with the new Mural Circle.

Note.—The Equation of Time, is the difference between Solar, or Apparent Time, and that shewn by a good Clock or Watch; and is to be added to, or subtracted from, the former, according as the Table directs, to find Clock, or Mean, Time. Therefore when according to the Table, the Equation is to be *added*, the Clock is *faster* than Solar Time—when to be *subtracted*, it is slower.

The Table of Equation of Time, besides its common use for setting a Clock or Watch, is, with the Tables of Right Ascension, and Declination, of the Sun, the Right Ascensions and Polar Distances of the Stars and the Eclipses of the Satellites of Jupiter, intended for Astronomical and Nautical purposes, particularly when the Nautical Almanac is not to be procured. The Solar Tables being adapted for apparent Noon, of the Meridian of Greenwich, where the articles are required for Astronomical purposes, proportion must be made for the difference of Longitude, exactly as is done with all articles taken out of the Nautical Almanac.

Under the degree of latitude, or nearest to it, of the place required, taken from the table of Latitudes, and opposite the day of the month or nearest to it, on the left hand side of the table, the time of the Sun's rising will be found, and opposite to it on the right hand is the time of the Sun's setting; Any person who would set his clock or watch by the Sun's rising or setting, and this table, must take the instant when the Sun's lower limb is about his semi-diameter distance from the horizon, at this time the centre of the Sun will be very near the true points of rising and setting, or that shewn by the table.

Abstract *of an Act passed in the Thirty-third Year of His present Majesty, Cap. 52, Sec. 70, precluding the Return to their duty of the Civil and Military Servants, after an absence of Five Years.*

And be it further enacted, that no person who shall have held any Civil or Military Station whatever, in India, in the Service of the said United Company, being under the rank or degree of a Member of Council, or Commander-in-Chief of the Forces, and who, having departed from India by leave of the Governor General in Council, or Governor in Council, shall not return to India, within the space of five years next after such departure, shall be entitled to any rank or restoration of Office, or be capable of again serving in India, either in the European or Native Corps of Troops, or in the Civil Line of the Company's Service; unless, in the case of any Civil Servant of the Company, it shall be proved, to the satisfaction of the Court of Directors, that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India, by a vote or resolution passed by way of ballot, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose, whereof eight days previous notice of the time and purpose of such Meeting shall be given in the London Gazette, or unless, in the case of any Military Officer, it shall be proved, to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident.

Regulations *respecting Military Officers retiring from the Company's Service.*

Every Officer after twenty-five years service in India, three years for one furlough being included, is allowed to retire with the pay of the rank to which he has attained; but such pay is to be the same only as that allowed to Officers of Infantry.

A Member of the Medical Board, who has been in that station not less than two years, and not less than twenty years in India, including three years for one furlough, is permitted to retire from the service, and allowed £500 per annum.

A Surgeon of a General Hospital, or Superintending Surgeon, who has been in that station not less than two years, and whose period of service has been not less than twenty years, including three years for one furlough, as above, is permitted to retire from the service, and allowed £300 per annum for life.

All other Surgeons and Assistant Surgeons attached to the Military, are permitted to retire from the service on the pay of their

rank, after having served in India not less than twenty years, including three for one furlough.

A Chaplain after eighteen years service, (ten of which at a Military station,) including three years for one furlough, is allowed to retire with the pay of Major.

A Chaplain having served ten years in India, whose constitution will not admit of his continuing in the service, may retire on the half-pay of Major; after seven years on the half-pay of Captain.

A Commissary, or Deputy Commissary of Ordnance, not being a Commissioned Officer, is allowed to retire on full pay, if he has served twenty-seven years in India, of which twelve must have been in the ordnance department; twenty-five years, fourteen of which in that department; or twenty-two years, seventeen years of which in the ordnance department.

A Conductor of Stores is allowed to retire on £60 per annum after twenty-five years actual service in India.

Every Lieutenant Colonel, Major, Captain, or Captain Lieutenant is allowed to retire with the *half-pay* of the rank to which he has attained, in case his health shall not permit him to serve in India.

A Lieutenant having served thirteen, or an Ensign nine years in India, including three years for a furlough, may retire on the *half-pay* of his rank, in case his health shall not permit him to serve in India.

A Subaltern Officer, or Military Assistant Surgeon, having served six years in India, is permitted to retire on the *half-pay of Ensign*, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

Every Officer returning on furlough, and wishing to retire from the service, must make a declaration to that effect, within twelve months after his arrival in England; and in case of his neglecting so to do, he must at the expiration of his furlough, either return to India, or be held to have relinquished the service, and not be entitled to retire on pay, unless he has continued to serve in India, from his first arrival, for the space of *twenty-two years*, without having a furlough; in that case he is allowed *two* years before he shall be called upon to signify his intention of retiring, but he can only be allowed the pay of the rank he held at the expiration of twelve months from his arrival in Europe.

Officers retiring from the service after two years furlough, will be considered to have retired at the expiration of two years from the date of their landing in England, unless they shall have previously obtained an extension of their furlough, and Officers who shall retire after having obtained an extension of furlough, will be considered to have retired from the date of the expiration of such

additional furlough, or from the time when the requests of such Officers to retire or resign, are laid before the Court, whichever shall happen first.

FURLOUGH.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness) to their rotation to be absent on furlough, and the same rule is applicable to Assistant Military Surgeons. The furlough to be granted by the Commander in Chief at each Presidency, with the approbation of the respective Governments.

A Chaplain after seven years residence in India, is allowed to come home on furlough and receive the pay of Major. Should he come home from sickness prior to this period of service, he is allowed the pay of Captain only.

A Conductor of Stores is allowed furlough pay, only in case of coming home from sickness.

The period of furlough is three years, reckoning from it's date to the day of the return of the Officer to his Presidency.

All Officers finding it necessary to solicit a further leave of absence, on account of sickness, must transmit with their Letter of application for such leave, a certificate signed by at least two Gentlemen, eminent in the Medical Profession, describing the nature of the applicant's complaint, and stating it to be their opinion that the circumstances of the case render a compliance with his request absolutely necessary. Also previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or, by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty, on account of sickness, are to furnish a certificate of two eminent Physicians, with the attestation of a Magistrate, that the Persons who signed the certificate are Physicians.

No Officer on furlough can receive pay for more than two years and a half from the period of his quitting India, excepting Colonels of Regiments, and those of the rank of Lieutenant Colonel Regimentally, when promoted to that of Major General; the latter are then allowed to draw their Regimental pay beyond the above period.

REGULATIONS RESPECTING THE AGE OF WRITERS AND CADETS.

EXTRACT *of the Act of the Thirty-third of His present Majesty,* GEORGE III, *respecting* WRITERS *and* CADETS.

AND be it further enacted, that no person shall be capable

of acting or being appointed, or sent to India in the capacity of Writer or Cadet, whose age shall be under fifteen years,* or shall exceed twenty-two years, nor until the person proposed or intended to be so appointed shall have delivered to the said Court of Directors a certificate of his age, under the hand of the Minister of the parish in which he was baptized, or Keeper of the registry of baptism of such parish; and if no such registry can be found, an affidavit of that circumstance shall be made by the party himself, with his information and belief that his age is not under fifteen years, and doth not exceed twenty-two years. Provided nevertheless, that the said restriction shall not extend to prevent the said Court of Directors from appointing any person to be a Cadet, who shall have been for the space of one year at least a Commissioned Officer in his Majesty's service, or in the Militia or Fencible men, when embodied, and have been called into actual service, or from the Company of Cadets in the Royal Regiment of Artillery, and whose age shall not exceed twenty-five years.

Extract from the Regulations *as to the* Nomination *of* Students *at the* East India College,

With a view to their future appointment as Writers in the Service of the United East India Company; and Preparatory Instructions to Persons who may be so nominated.

No Candidate for the College can be nominated thereto, until he has completed the sixteenth year of his age. And no person who has been in the Army or Navy, or has been expelled from any place of education, will be nominated to the College; but this Regulation so far as it regards the professions above mentioned, is not to affect any one who, previously to the 14th July 1815, may have quitted either of them, with a view to the East India service, and may have qualified himself by education for admission into the College.

The parents or guardian of every candidate for the college, with the exception of those above-mentioned, will be required to address the following letter to the nominating Director:—

"Sir:—I beg to assure you on my honour, that my ——, to whom you have been so good as to give a nomination to the college, has not been in the Army or the Navy, and that he never was expelled from any place of education.——

I have the honor to be, &c."

The parents or guardian of every candidate, so excepted, will be

---

* 7th December 1808, The Court of Directors resolved, that in future no Cadet be appointed for the Cavalry or Infantry under the age of sixteen years.

required to address the same letter to the nominating Director, expunging that part of it which relates to the Army and Navy.

By the Act of the 33d of Geo. III. no person can be appointed a Writer in the Company's service, whose age exceeds twenty-two years; and by the Act of the 53d of Geo. III. all students for the college must remain there four terms;—consequently, no person whose age exceeds twenty can be nominated as a student. All these terms are probationary, but the first is to be considered as such in a particular sense; and if any student shall not in the judgment of the college council, give satisfaction in that term, he will not be permitted to return to the college.

Candidates for the college must produce the undermentioned documents, previously to their being nominated as students.

An extract from the parish register of their birth or baptism, properly signed by the minister, churchwarden, or elders; and, in addition thereto,

A certificate, agreeably to the following form, signed by the parent, guardian, or near relation.

" I do hereby certify, that the foregoing extract from the register " of baptisms of the parish of ———, in the county of ———, " contains the date of the birth of my son ———, who is the " bearer of this, and presented for a nomination as a student at " the East India College, by ——— Esq.; and I do further " declare, that I received the said presentation for my son ——— " gratuitously, and that no money or other valuable consideration " has been or is to be paid, either directly or indirectly, for the " same; and that I will not pay or cause to be paid, either by my- " self, by my son, or by the hands of any other person, any pecu- " niary or valuable consideration whatsoever, to any person or " persons, who have interested themselves in procuring the said " presentation for my son from the Director abovementioned."

" Witness my hand, this ——— day of ———, in the year of our " Lord ———."

In the event of no parish register existing or to be found, an affidavit of such circumstance is to be made before a Magistrate, to the following effect, viz.

" I, C. D., presented as a student for the East India College, " by ———, do make oath and swear, that I have caused search " to be made for a parish register, whereby to ascertain my age, but " am unable to produce the same, there being none to be found; " and, further, I make oath and swear, that from the information of " my parents (and other relations), which information I verily " believe to be true, that I was born in the parish of ———, in the " county of ———, on ———, in the year ———, and that I

"am not at this time under the age of sixteen, or above twenty
"years.

"Sworn before me,
"this———
"day of———

"Witness my hand, this—day
"of——, in the year of our
"Lord——.
"C. D."

The parent, guardian, or near relation, must then add his certificate as to the truth of the affidavit, which must be similar to that ordered to be annexed to the extract from the parish register.

The abovementioned certificate (and affidavit, in cases where an affidavit shall be required) are to be annexed to the petition to be written by the Candidates, and they are to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the Candidates respectively.

Candidates are to produce certificates from the person under whom they have received their education, stating the nature of that education, and the proficiency they have made therein; and also certifying as to their mental ability, disposition and character.

Candidates will be interrogated in an open Committee of College, as to their character, connections, and qualifications, conformably to the General Court's Resolution of the 6th July 1809.

On a student's appointment to be a Writer, a legal instrument is to be entered into by some one person (to be approved by the Court of Directors) binding himself to pay the sum of £3,000, as liquidated damages to the Company, for breach of a covenant to be entered into that the student's nomination hath not been in any way bought, or sold, or exchanged for any thing convertible into a pecuniary benefit.

Misconduct of students at college, will be attended with expulsion therefrom; and those who do not pass with credit the final examination will not be admitted into the civil service of the Company. No person expelled the college will be admitted into any line of the Company's service.

At a Court *of* Directors, *held on Wednesday, the 9th August* 1809.

Resolved, That any person who shall, in future, be nominated to a situation, either civil or military, in the service of this Company, and who shall have obtained such nomination in consequence of purchase, or agreement to purchase, or of any corrupt practice whatever, either direct or indirect, by himself or by any other person, with or without his privity, shall be rejected from the service of the Company, and ordered back to England, if he shall have proceeded to India before a discovery of such corrupt

practice be made: and if such situation shall have been so corruptly procured by himself, or with his privity, he shall be rendered incapable of holding that, or any other situation whatever, in the said service. Provided always, that if a fair disclosure of any corrupt transaction or practice, of the nature before described, wherein any Director has been concerned, shall be voluntarily made by the party or parties engaged in the same with such Director, the appointment thereby procured shall be confirmed by the Court. (Signed) W. RAMSAY, *Secretary.*

COLLEGE SCHOOL.

Besides the College at Hertford, the Company patronize a School subordinate to it, and under the superintendence of the Principal, into which boys may be admitted at an early age, and in which they will be taught the elements of general learning, and such other accomplishments as are the usual objects of instruction in the larger seminaries of this country. Especial attention will be paid also to such parts of education as may serve to qualify them for public business, and for the higher departments of commercial life.

Though this School be designed as introductory to the College, it is not to be understood that the Company is pledged to make it the sole channel of an appointment to the College itself; but, it is nevertheless proper to observe, that those who shall have passed through both institutions, will enjoy the advantage of an uniform system of education, began in early youth, and continued to their departure for the duties of their public stations.

Notwithstanding that an intimate connection is intended to subsist between the College and the School, it is nevertheless to be understood, that, whilst the College is exclusively appropriated to persons

designed for the civil service of the Company alone, the School will be open to the public at large.

The Rev. Dr. Luscombe, is the Head-Master of the College School; to whom the annual sum of seventy guineas is to be paid for each pupil, above the age of ten years; and fifty guineas for each pupil under that age; which sums, without any additional charge, will include instructions in the Greek, Latin and modern languages, writing, arithmetic, mathematics, drawing, and dancing. A few pupils of a more advanced age are received into the School, at 100 guineas per annum, to whom some superior accommodations are granted.

Fort St. George, 16th September 1817. G. STRACHEY, Chief Secretary.

Extract of a General Letter from England in the Commercial Department, dated 7th September 1808.

Para. 229.—In our Letter of the 31st October 1799, we informed you that we had appointed Messrs. Hyde and Marter, Clerks in our Accountant's Office, to act as Agents in the clearance of Baggage, Wines and Presents from the Company's Warehouses, and that we had been induced to appoint our own Servants to conduct this business in order that they might be accountable to us for the propriety of their conduct.—The increase which has taken place in the Civil and Military Establishments of our several Presidencies, and the consequently augmented number of persons returning to Europe, have determined us to make a separate department for the purpose of clearing Baggage, Wines and Presents, and we have appointed Mr. William Marter and Mr. William Evans to be Warehouse-keepers of Baggage, subject to our immediate inspection and control, and we have made such arrangements with His Majesty's Board of Customs for ascertaining and paying the duties on Baggage, &c. as will ensure the greatest

possible despatch in the delivery of the articles to the respective proprietors.

230. We have also sanctioned a table of fees and allowances to be received for the discharge of this duty and for reimbursing the expenses attending it, and we have prohibited the Baggage Warehouse-keepers from receiving any other than the authorized allowances, upon pain of our severest displeasure.

231. As we have erected this establishment for the sole purpose of the convenience of our Servants and others who may return to Europe, we direct that our intentions in this respect be made public, and be constantly affixed up in the Export Offices of our several Presidencies, and that it be signified to all our Servants returning to Europe, that it is our desire that they apply to our said Warehouse-keepers Messrs. Marter and Evans, to clear and deliver them their Baggage, Wines, and Presents, as we have directed Messrs. Marter and Evans to transact every branch of business connected with this department, which will render the Agency of all other persons unnecessary.

232. Passengers arriving from India are liable to inconvenience from being ignorant of the law which prohibits Calicoes being printed, painted or stained or dyed, and also silk Goods from being worn or used in this Country, and such Goods although made into apparel are of necessity taken out of their Baggage and detained by the Officers of the Revenue; We direct therefore, that notice hereof be made generally public, and further that Napkins, &c. which contain a coloured stripe however small, are considered to be prohibited and cannot be passed in England as part of their baggage.

Extract of a General Letter from England in the Public Department, dated 26th August 1801.

Having adverted to the immense quantity of baggage brought home by the passengers arrived in the Company's Ships and being desirous of promoting every regulation that appears to us likely to increase the importation of surplus Tonnage, we have investigated this as one cause, which has occasioned the reduction of that important benefit, both to the Company and Owners, the space occupied by the Passengers baggage in one of the Ships lately arrived having amounted to the immense quantity of 63 Tons; conceiving therefore some regulation necessary to be adopted to correct as much as possible this growing evil and to prevent such immense quantities of baggage being imported, to the ultimate exclusion of the Company's cargo; we have come to the following resolutions, with copies of which you must furnish the Commanders of all Ships in the Company's Service for their information and

guidance; and we direct that you adopt every other means which may appear necessary towards carrying the same into effect, viz.

That Gentlemen proceeding to England in the undermentioned stations be restricted from taking with them, a larger Tonnage of baggage and stores, than the following, exclusive of their bedding, a table and a sopha or two chairs, for their respective cabins, viz.

Gentlemen of Council,....	5	Tons.
General Officers,..............................	5	do.
Colonels in His Majesty's or Company's Service,..	4	do.
Senior Merchants..............................	4	do.
Lieutenant Colonels............................	3	do.
Junior Merchants...............................	3	do.
Majors..	$2\frac{1}{2}$	do.
Factors.......................................	$2\frac{1}{2}$	do.
Captains......................................	2	do.

That Gentlemen proceeding to England in either of the abovementioned stations who may be permitted to bring home their families with them, be restricted from taking more Tonnage than one-half of the preceding allowance in addition, as the Ladies baggage.

That married Ladies proceeding to their Husbands in England, be restricted from taking more than 2-3ds of the Tonnage prescribed for a Gentleman of the same rank as their Husbands.

That Writers, Lieutenants, Ensigns, and other cabin Passengers be restricted from taking a larger quantity of baggage and stores than 1 Ton each, exclusive of their bedding, a table and sopha or two chairs.

That married Ladies proceeding to their Husbands in England of either of these last mentioned descriptions, be restricted from taking more than a similar quantity of baggage.

That such Gentlemen of either of these last mentioned descriptions who may be permitted to bring home their Wives with them, be restricted from taking more than 1 Ton in addition as the Ladies baggage.

That single Ladies be restricted from taking more than the same quantity of baggage and cabin furniture.

That all excess of baggage beyond the abovementioned quantities, on whatever ship it may be brought home, be invariably charged freight at the charter party rate per Ton, and that the said baggage be not delivered from the Company's Warehouse, till such freight shall have been paid into the Company's Treasury.

THE Right Honorable the Governor in Council having resolved that no ordnance, fire arms, ammunition or military stores of any

description shall be purchased or sold by any Individual residing under the protection of the Government of Fort St. George (with the exception of regular Shopkeepers, who may import from England, small arms, battle powder, swords or dirks for sale to their Customers), does hereby order and direct, that all Individuals having any ordnance, fire arms, ammunition or military stores, which may be intended for sale, (with the exception above stated,) shall deliver the same at the Arsenal of Fort St. George, where a receipt will be granted by the Officer of Government.

The Individuals will be reimbursed by the Government in the full value of all articles so delivered, on their making application at the Office of the Military Board.

It is the desire of His Lordship in Council to obviate the inconvenience which this regulation might produce to Individuals who may require arms, ammunition, &c. for the protection of ships or other vessels that may be employed in Trade.—It is therefore hereby notified, that Articles will be supplied from the Arsenal when it may not be inconvenient, under the usual authority of Government and the Military Board.

JUDICIAL DEPARTMENT.

THE Honorable the Governor in Council is pleased to publish the following Extract from a Regulation under date the 6th November last, prohibiting individuals from dressing their servants in the Regimentals of the Company's troops, for general information.

EXTRACT FROM REGULATION III. A. D. 1810.

SEC. IX. *First.* All persons, whether European or Native, within the Company's provinces (excepting such privileged persons as the Government may specially exempt from the operation of the rule contained in this Section) are positively forbidden to dress any of their servants, either for the purpose of parade or of business, in the uniform of the Company's sepoys and lascars, or in a dress, so nearly approaching to that uniform, as to enable the persons wearing it to impose themselves on the country people for sepoys and lascars.

Second. All Natives, excepting those actually in the Military Service of the Company, or belonging to persons specially exempted by Government from the operation of this rule, are forbidden to wear a dress similar to that mentioned in the foregoing clause.

Third. Officers of every description, employed in the Service

of the Company, who are allowed establishments of peons, in their official capacity, or who may have occasion to employ persons of that description, in such capacity, are prohibited from clothing them with a military dress.

Fourth. With the view of giving full effect to the orders contained in the preceding clauses, the Military Commanding Officers of stations, and of detachments, in the interior parts of the country, and the several Zillah Magistrates are hereby authorized and required, to deprive of a military dress any person who shall wear it contrary to these orders. The local Officers of police are also empowered and directed to apprehend all persons of the above description, and to send them to the Magistrate, who will deal with them in the manner above prescribed.

Fifth. Military Officers, or other persons, to whom escorts may be allowed, when travelling through the country, are forbidden to send sepoys or lascars into the villages, for the purpose of procuring any sort of provisions or of pressing bearers, coolies, or boatmen. Every local Officer of police, upon proper application, will, under Section VIII of this Regulation, grant such assistance as he may be able to afford; and all violent measures, therefore, will be considered equally illegal and unnecessary.

Sixth. No person shall be allowed to distinguish his peons, or other servants, with badges, except the Public Officers (civil or military) employed in the service of the Company, who are allowed establishments of peons in their official capacity, or who may have occasion to employ persons of that description, in the public service. The several Zillah Magistrates are empowered and directed to apprehend any person (not being in the service of a Public Officer of the Government, authorized to entertain such servants) who shall wear a badge, in opposition to the prohibition contained in this clause, and to deprive him of the badge. The local Officers of police are also authorized and directed to apprehend persons of the above description, and to send them to the Magistrate, by whom the offender will be dealt with as above directed. Any European, not being a Public Officer of the Government, to whom such description of public servants is allowed, employing badged peons, or other description of servants wearing badges, contrary to this prohibition, will be liable to the severe displeasure of Government, on representation of the circumstances of the case by the Magistrate, who is directed to report all such instances for the information and orders of the Governor in Council.

The following Regulations having been adopted by the Governor General in Council, under the authority and direction of the Honorable Court of Directors, they are now published for general information.

2d. The Governor General in Council has been pleased to authorize the Accountant General and the Sub-Treasurer, for the time being, to act under the responsibility of the Honorable Company, as agents (for the purposes hereinafter mentioned) of the public creditors of this Government, whether residing in Europe or elsewhere.

3d. The Officers abovementioned are authorized to receive charge of, and to grant, receipts in duplicate, for any Obligations or Loan Acknowledgments of this Government, which the Proprietor may wish to deposite with them.—No Note is to be received in deposite, which shall not appear to be made out in the name of, or be regularly indorsed to, the person depositing it.—Persons desiring to deposite their Government Securities shall make their application to the Accountant General and Sub-Treasurer in the form hereunto subjoined, No. 1; and the receipt of those Officers will be given in the form No. 2.

4th. The Officers abovementioned will receive the Interest on any Government Paper which may be deposited with them.—And will, according to the instructions of the Proprietor, remit

the amount, either to England in Bills to be drawn on the Honorable Court of Directors, if the same shall be payable in such Bills by the terms of the Loan; or to the Presidencies of Fort St. George or Bombay, by Drafts on the Public Treasuries of those Presidencies, or to any of the stations subordinate to this Presidency, by Drafts on the Collectors or on the Residents at Delhi or Lucknow, according to the rates of exchange at which Government may draw at the time—or they will pay the amount at the Residency to any person nominated by the Proprietor to receive such payment.—The instructions as to the manner in which the Interest is to be paid, must be made out according to the forms hereunto subjoined, Nos. 3, 4 and 5, which are adapted to the several cases above specified.—The Proprietor will be at liberty to substitute one of these modes of receiving the Interest for the other, as often as he shall think fit; provided that the fresh instructions be delivered at the Treasury one month before the day on which the Interest falls due.—Persons having more Notes than one in deposite may give separate instructions regarding the Interest on each Note, but the whole of the Interest on each Note must be received in the same manner and at the same time.

5th. When the Principal of any Government Paper so deposited shall become payable, the abovementioned Officers will, according to the instructions of the Proprietor, either pay the amount, with the Interest due upon it, to such person as shall be appointed to receive the payment; or they will reinvest it in any other Loan, to which it may be subscribable at the time, or in the purchase of other Obligations or Loan Acknowledgments of this Government in the market, at the current price of the day. —The instructions for these purposes must be made out according to the forms hereunto subjoined, Nos. 6, 7 and 8, which are adapted to the three several cases above specified. The Proprietor may at any time substitute one of these modes of disposing of the Principal for the other, provided that the fresh instructions be delivered at the Treasury one month before the day on which the Principal falls due.—Persons having more Notes than one in deposite, may give separate instructions regarding each Note, but the whole amount of each Note must be disposed of in the same manner and at the same time.

6th. If any Loan be opened by the Government of Fort William, into which the Paper deposited may be receivable, the Officers abovementioned are authorized to subscribe the Paper so deposited to such Loans, upon receiving the instructions of the Proprietors for that purpose; although the Notes may not be in

course of payment. Instructions for this purpose must be made out according to the form No. 9.

7th. The Officers abovementioned are authorized to receive remittances, in Government Bills only, from Individuals desiring to purchase the Public Securities for deposite with them (provided such Bills shall be payable at the General Treasury, and shall amount to 1,000 Sa. Ss.) and to invest the amount, according to the instructions of the Proprietor, in the Government Securities, either by subscribing the amount to any Loan which may be open for the receipt of Cash, or by purchase in the market at the current price of the day; instructions for this purpose shall be made out according to the forms hereunto subjoined, Nos. 10 & 11.

8th. The Officers abovementioned are further authorized to invest the amount of interest due on Paper deposited with them in the Government Securities, in either of the modes mentioned in the last clause, upon receiving the Proprietor's instructions for that purpose; such instructions must be made out in the form hereunto subjoined, No. 12.

9th. The same Officers are further authorized, at any time, on receiving proper authority and instructions from the Proprietor for that purpose, to indorse any one or more Notes deposited with them, as Attornies to the Owner, to such Person as he shall direct, or to sell the same on the Owner's account at the current price of the day, and to pay over the proceeds in Cash at the Treasury to such person as the Proprietor may appoint to receive the same, provided that the whole amount of each Note sold, shall be payable in one sum, and to the same Person. But they are prohibited from reinvesting the proceeds of Paper so sold, or from disposing of it in any other manner than by such payment at the Treasury, as abovementioned, to the order of the Proprietor. Any fees, which may have become due according to the rates hereinafter prescribed upon the Paper required to be indorsed, are to be paid before the indorsement is made; or in case of the sale of the Paper, the fees shall be deducted from the amount proceeds before it is paid over. The Power of Attorney to Indorse, or to Sell, must be made out according to the form No. 13; the direction to Indorse according to the form No. 14; and the direction to Sell, and the order to Pay, according to the form No. 15.

10th. If Government should at any future period grant a remittance of the Principal of any Paper deposited under the terms of this Advertisement, the Officers abovementioned will remit the Principal upon receiving instructions from the Proprietor to that effect, such instructions must be made out according to the form No. 16. The Proprietor may at any time withdraw the Government Securities deposited, or any part of

them, from the charge of the abovementioned Officers, and such Securities will be delivered up to the Proprietor himself, or to any other person whom he may authorize to receive them, upon payment of such fees as may have become due to the Accountant General and Sub-Treasurer, according to the rates hereafter specified, upon the Paper so required to be delivered up. The authority to receive deposited Paper, must be made out according to the form No. 17.

12th. In each of the cases in which the Officers above mentioned are authorized to invest money in the Public Securities, it is to be understood, that they will invest as nearly as possible, the whole amount, but that they are in no case and upon no account, to exceed it.—Such fractional sum as may remain in their hands above the amount invested, will be payable on demand at the Treasury to the order of the Proprietor, such order is to be made out according to the form No. 18.

13th. The full postage must be paid on all Letters directed to the Officers abovementioned, and the full postage on all Letters from them will be charged to the persons to whom they are addressed. All Letters addressed to them are to be superscribed in the following manner:

"To the Accountant General
and Sub Treasurer,
Fort William."

14th. The responsibility of the Honorable Company is strictly confined to the cases above specified, and to such Transactions as shall be conducted according to the prescribed forms. These forms will be printed and furnished in blank at the different Presidencies, and at the India House, to persons desirous of availing themselves of the agency of the Public Servants, and no other than the forms so furnished, will be received or acted upon by those Officers.

15th. Commissions shall be payable to the Accountant General and Sub-Treasurer on the several Transactions above specified, according to the subjoined rates.

INTEREST.

1. On the receipt and remittance, or investment of Interest on Paper deposited, $\frac{1}{4}$ per Cent. on the whole transaction, but no Commission is to be chargeable on the remittance by Bills on the Court of Directors for Interest arising from the Notes of any Loan, prior to that published under this date.

16th. Such Fees or Commission as may have become due on any of the abovementioned transactions, from any person depositing Paper, will be deducted by the Accountant General and Sub-Treasurer, from the first Interest received by them, from any Paper in deposite belonging to such person, but if these Officers shall in any instance omit to deduct their Fees or Commission from the Interest coming first to their hands, they shall not be at liberty to make the deduction at any future period.

17th. Government reserves to itself the liberty of withdrawing the authority hereby granted to the Accountant General and Sub-Treasurer, upon giving two years notice of their intention so to do in the Calcutta Gazette, and at the expiration of such notice, those Officers will cease to act in the concern of Individuals; but any Government Paper which may have been deposited with them, will remain for safe custody at the Treasury until claimed by the Proprietor.

FORT WILLIAM:

Territorial Department, April 4, 1818.

1. The Public are hereby informed, that the Sub-Treasurers at Fort William, Fort St. George and Bombay, the several Residents at Native Courts and several Collectors of Land Revenue under those Presidencies, have been authorized to receive until further orders, Subscriptions in Loan to the Honorable Company on the conditions hereinafter specified.

2. Subscriptions not being less than Calcutta Sicca Rupees 970, will be received into this Loan at a discount of Three per Cent. with Interest at the rate of 10 per Cent. per Annum, to the 30th June 1819, the amount to be then brought on the General Register of this Presidency, and to bear Interest at Six per Cent. per Annum, that is to say, Acknowledgments in even Hundreds for Subscriptions, will be granted at the rate of 100 Rupees for every 97 Rupees subscribed; such Acknowledgments to bear Interest at the rate of Ten per Cent. per Annum, from their date to the 30th June 1819, to be then exchanged for Six per Cent. Loan Obligations.

3. The Subscriptions will be received to this Loan in Cash, in accepted Bills of Exchange, drawn upon the Governments of Fort William, Fort St. George and Bombay, after deducting Interest at the rate of Six per Cent. per Annum, for the period such Bills may have to run, in Bills for arrears of Salary, whether the same shall have been advertised for payment or not, and generally in all authorized Public demands.

4. The several Paymasters of the Army, under the Presidencies of Fort William, Fort St. George and Bombay, are also authorized to transfer any demands, which may be payable by them respectively to this Loan, and to grant Drafts at the Presidencies of Fort William and Fort St. George, for the amount in the usual manner on the Accountant General, and the Presidency of Bombay on the Military Pay Master General, which Drafts shall be received by the several Officers abovementioned, in payment of Subscriptions, on being tendered to them for that purpose.

5. Furruckabad, Lucknow and Benares Rupees will be received where respectively current as equal to the Calcutta Sicca Rupees

———, Madras Rupees at the rate of 350 for 335.172 Calcutta Sicca Rupees, Bombay Rupees at the rate of 108 for 100 Calcutta Sicca Rupees.

6. The Acknowledgments granted by the Public Officers at Fort St. George and Bombay shall be expressed in Calcutta Sicca Rupees at the rates of exchange above-mentioned.

7. The Accounts of this Loan will be closed on the 30th June 1819.

8. The Interest which may be due on the Acknowledgments on the 30th June, 1819, will be paid at either of the Presidencies in Cash, at the rates of Exchange above-mentioned, or the amount will be added to the Principal, the Holder of the Acknowledgments receiving or paying, at his option, the fractional part of 100 Rupees in Cash, so that in all cases, the Notes ultimately to be granted by the Public Officers, may be for sums in even Hundreds of Calcutta Sicca Rupees.

9. The Acknowledgments, after the Proprietor shall have received the Interest due to the 30th June 1819 are to be transmitted to the Deputy Accountant General at Fort William to be exchanged for a Promissory Note or Notes, (not being less than 1000 Calcutta Sicca Rupees each,) in sums of even Hundreds of Calcutta Sicca Rupees, and to bear date the 30th day of June, 1819, which Notes will be registered under that date, and be numbered in the order, in which the Acknowledgments may be presented at his Office.

10. The Accountant General at Fort St. George and Bombay, will, on application from the Holders of Acknowledgments, transmit them to the Accountant General in Bengal, to be exchanged for Promissory Notes, free of every expense whatever. The Proprietor, however, must in every such case, either receive the Interest due on the Acknowledgments in Cash, or subscribe it in the manner above-mentioned, before the Acknowledgment is transmitted to Bengal, and must also express thereon the number and amount of the Promissory Notes, which he would wish to receive in exchange for it, and which will be issued accordingly, to the amount of the Acknowledgment, for any sums in even Hundreds, of not less than 1000 Calcutta Sicca Rupees.

11. The Notes of this Loan shall not be paid off without a previous Notice of Sixty Days being given to the Public, by an Advertisement to be published in the Government Gazette; such Notice shall be considered as equivalent to a tender of payment, at the period appointed for the discharge of the Notes so advertised for payment, and all Interest thereon shall cease from the expiration of that period.

12. The Promissory Notes to be so granted, shall be numbered and placed upon the General Register of the Registered Debt of this Presidency, in manner aforesaid; and when the Notes of the Loan

shall be in course of payment, the Principal shall be discharged, either in Cash at the Presidency of Fort William, or by Bills of Exchange (at the option of the Proprietor,) to be drawn on the Honorable Court of Directors, at the exchange of Two Shillings and Six Pence per Sicca Rupee, payable Eighteen Months after date, with liberty to the Honorable Court to postpone the payment for the further term of One, Two or Three Years, from the date on which the Bills shall have become due; Interest being allowed from such date, at the rate of Five per Cent. per Annum, and payable half yearly, to the period, at which the Bills may finally be discharged. It is at the same time expressly stated, that the Public Creditors shall not have it in their option to demand payment by Bills at any time, it being intended only to allow them this alternative, when the Loan shall actually be in course of payment by Public Notice to be given for that purpose.

13. The Notes shall be advertised for payment, according to the order of priority in date and number, in which they shall have been placed upon the General Register, with the special reservations hereinafter noticed; but all Notes advertised at the same time for payment, shall become payable on demand, without regard to priority, at the expiration of the Notice; Government shall also be at liberty to advertise other Notes for payment, without waiting for the expiration of pending Notices, and to discharge the Notes, so subsequently advertised, at the expiration of the Notice relating to them, notwithstanding the Holders of Notes comprized in prior Advertisements may have omitted by themselves, or their Attornies duly authorized to apply for payment.

14. It is clearly to be understood, that Purchases by the Commissioners of the Sinking Fund, and Transfers of the Notes of the present Loan into any future Loan in the manner hitherto used, shall not be considered as infringements of the stipulation in the preceding clause, with respect to priority of payment.

15. For the accommodation of Proprietors of Notes residing at Fort St. George or Bombay, it is hereby provided that on application to the Accountant General at either of those Presidencies, they shall be entitled to have the Original Note issued by the Bengal Government, exchanged for another Note for the same sum in Calcutta Sicca Rupees, and of the same tenor in every respect, or to have different Notes consolidated into one or more larger Notes, or to have their Notes sub-divided into smaller Notes, (not being for less than 1000 Calcutta Sicca Rupees) on payment of the established Fees of Office.

16. The Interest on the Promissory Notes shall be payable half yearly, on the 31st of December and the 30th of June, from year to year, until the Principal shall be discharged, or until the Interest shall cease on the expiration of the Notice of payment,

as expressed in the 11th clause; and it shall be optional with the Proprietor of the Notes, to receive payment of such Interest in Cash, either at Fort William, Fort St. George, or Bombay; or by Bills, to be drawn on the Honorable Court of Directors, at the Exchange of Two Shillings and Six Pence per Calcutta Sicca Rupee, payable Twelve Months after date,—provided always in the latter case, that the Interest, for which Bills may be so required, amount to the sum of Forty-five Pounds sterling at the least, and no Bills will be granted for any smaller amount.

17. The Proprietors of Notes which may require the Interest to be paid at Fort St. George, shall be entitled to receive payment at that Presidency in Cash, at the exchange of 335,172 Calcutta Sicca Rupees per 350 Madras Rupees; or if the Holder of a Note at that Presidency, be desirous at any time of receiving the Interest in Bengal, the Sub-Treasurer at Fort St. George will grant him a Draft on the Sub-Treasurer at Fort William, payable at sight, for the sum, in Calcutta Sicca Rupees, which may be due upon the Note, on account of Interest to the period of the last half yearly Instalment.

18. The Proprietors of Notes who may require the Interest to be paid at Bombay, shall be entitled to receive payment at that Presidency in Cash, at the exchange of 100 Calcutta Sicca Rupees per 108 Bombay Rupees, or, if the Holder of a Note at that Presidency, be desirous of receiving the Interest in Bengal, the Sub-Treasurer at Bombay will grant him a Draft on the Sub-Treasurer at Fort William, payable at sight, for the sum in Calcutta Sicca Rupees, which may be due upon the Note on account of Interest, to the period of the last half yearly Instalment.

19. For the accommodation of Proprietors of the Government Securities, whether such Proprietor be absent in Europe, or be resident in India, certain Regulations have been established, (published in the Calcutta Gazette Extraordinary of the 31st December 1810; under which the Accountant General and Sub-Treasurer at each of the three Presidencies, are empowered by the authorities and directions of the Honorable Court of Directors to act in the management of all property invested in the Government Securities, and those Officers will accordingly, under the Regulations in question, receive into their custody under the responsibility of the Honorable East India Company, the Promissory Notes of the present Loan, on application being made for that purpose by the Proprietor, his constituted Attorney or Assign, and will remit the Interest (and the Principal also, when remittable); as it shall become due, according to the instructions which they may so receive for that purpose.

PASSPORT REGULATIONS.

THE Right Honorable the Governor in Council having reason to be satisfied of the total inefficiency of the present practice of regulating Passports, either to prevent the passage of unauthorized travellers, to trace the route and the pretensions of those of doubtful character, or to ensure the free progress of those who are duly authorized, has been pleased to establish the following orders for the regulation and controul of all Passports granted under the Presidency of Fort St. George.

1st—That from and after the 1st of June next, the Secretary of Government in the Public Department shall be charged with the general controul and direction of all Passports granted within the territories of Fort St. George.

2d—That Passports of the prescribed form, capable of being recognized by Natives as well as Europeans, in sewed Books with a Cheque Margin for the insertion of the name of the person and No. and date of the Passport (for the purpose of preventing forgeries by comparison when returned) shall be issued by the Secretary of Government to all Persons who shall be authorized to grant them, viz. To the Resident in Mysore, and to all Collectors for their respective Districts, with an exception of Sea-ports where there is a Commercial Resident, who will always regulate the Passports of the port where he resides; to the Town Major of Fort St. George for Military persons belonging to that Garrison; to the Adjutant General of the Army, for all other Military persons leaving the Presidency; and to such Officers Commanding Military stations as shall be authorized to grant Passports. These stations shall be determined in the first instance, and from time to time when any changes of stations may occur, by the Secretary of Government in communication with the Adjutant General of the Army. The Secretary of Government will himself regulate the receipts and issue at the Presidency of all Passports to persons not Military.

3d—That all persons authorized to grant Passports shall keep a register in a prescribed form (blank Books of which will be likewise transmitted) of all Passports received, and another of all Passports issued.

4th—That all Travellers, on arriving at a station, shall deliver their Passport to the proper Officer, who shall register it's receipt in the same manner as on granting one, and if the bearer proceeds farther, shall issue a new Passport in exchange, noting on the old one the date of it's receipt, and at the end of each month sending by the Post all Passports received, to the person by whom they appear to have been granted.

5th—That the Secretary of Government in the Public Department shall keep a General Register of all Travellers and Passports granted, to enable him to correct which, all Public Officers, authorized to grant or receive Passports, shall transmit to him monthly a copy of their register of Passports granted and received during the month, and shall be held responsible for the application of the exact number of Blank Passports with which they have respectively been furnished by the Secretary.

6th—That Passports to Military persons shall be granted by Military Officers exclusively, and to all other persons by Civil Officers exclusively, but in cases of urgency, a Military

Officer in the absence of the Civil authority, and a Civil Officer in the absence of the Military authority, may pass a Traveller to the next Post or Station, by endorsing his Passport with the words "Pass to " noting the date; entering in his register the particulars of the Passport, in the same manner as if he had granted a new one; and entering the word "endorsed" in the column of remarks.

7th—Any Traveller stating that he has lost his Passport shall invariably be detained, until a duplicate shall have been obtained.

8th—Public Officers having received a Passport authorizing them to *travel post on the public service*, shall not be compelled to wait for the exchange of their Passports, nor be subjected to any part of these Regulations which involve delay.

9th—All Public Officers authorized to grant or receive Passports, shall report to the Secretary of Government any irregularity or deviation from the established rules which may come under their observation, together with all remarks regarding the conduct and apparent views of Travellers, which may appear proper and necessary to be communicated for the purposes of farther enquiry. And all Public Officers authorized to issue Passports are also empowered on sufficient information of incorrect conduct or improper views, to refuse a fresh Passport for the continuance of a journey already commenced; (reporting the detention to the Secretary of Government by the post of the day) or even to restrain until further orders the person of the Traveller, if such a measure shall in their judgment appear to be necessary.

10th—For the convenience of official arrangement all letters relating to Passports shall be superscribed "Passport Service."

MEMORANDUM.

Exclusively of the Regulations which shall be published for general information, it may be proper that all persons authorized to grant Passports, should be furnished with instructions for their guidance in granting or refusing them.

The following are supposed to embrace all the material considerations.

1*st*—To guard against the intrigues of foreigners in the interior of the country either among our own feudatories or subjects, or at the durbars of independent Native Powers, constitutes the main object of these regulations. To prevent foreigners from acquiring local information, though an important, is but a secondary consideration; and lastly, these regulations are intended to restrict the settlement of Europeans in India by indirect means.

2d.—No Passport of any foreign Governor can be considered of validity to pass a Traveller a single mile through the Company's possessions, but Public Officers stationed near a foreign settlement, will concert with the foreign Governor, or other constituted Authority, according to local circumstances, the means of furnishing Travellers from such Settlement with the requisite English Passports on proper occasions.

3d.—The routes of foreign Travellers for commercial purposes, will be generally by the sea side, and every proper facility should be afforded to that line of communication. But no foreigner must on any pretence be furnished with a Passport to travel inland, or even to deviate from the road nearest the shore, without the special authority of Government.

4th.—English subjects who are not in His Majesty's or the Honorable Company's Service, should in like manner be restricted to the road nearest the shore.

5th.—All Public Officers who may be authorized to grant Passports, will, as soon as may be practicable after the receipt of these instructions, transmit to the Secretary of Government, descriptive lists of all Europeans not in His Majesty's or the Company's service, residing within the limits of their respective authority; with their opinion regarding the expediency of licensing the farther residence of each individual. The Secretary will return certificates for such as the Governor in Council may think proper to license, and all Europeans not in the service, who shall not possess such certificates on the "first day of August 1802," shall be sent to the Presidency for the purpose of being embarked for England.

6th.—From and after the above date,—no Passport shall be granted to any European not in the service, who *resides or states himself to reside* at any English port or station, nor to any British subject *residing* at a foreign settlement, who does not possess such certificate of license; but Mariners or Traders, whether British or Foreign, *not resident in India*, who may desire to pass from one port to another for commercial purposes, shall be furnished with Passports without hesitation.

N. B.—The certificates should include a description of the person, and should grant conditional permission to reside at the town of "   ," subject to be sent to Europe at the shortest notice, whenever the Government shall think fit.

FORT ST. GEORGE, 21*st April* 1802.

NOTICE is hereby given, that from and after the first day of July next, no European person of whatever rank, description, or country, will be permitted to travel through the Company's dominions subject to this Presidency, unless he shall be regularly furnished with Passports for that purpose.

The only exception, which the Right Honorable the Governor General in Council, has been pleased to make to the foregoing resolution, is in favour of Officers Commanding Parties of His Majesty's or the Honorable Company's Troops.

All persons about to travel are accordingly required to take out a Passport, from the Collector of the district in which they may reside, or in places where there may be no Collector, from the Commanding Officer of the nearest garrison, which Certificate or Passport shall be produced to the next Collector or Commanding Officer, who are authorized to cancel it, if necessary, and to issue a fresh Passport.

And European persons of all descriptions are hereby warned, that whoever shall be found travelling without a Passport will be taken up and confined until a report of his case can be made to the Presidency.

Notice is hereby further given that a reward of Ten Pagodas will be paid to any person who shall take up and bring into the nearest garrison, any European Deserter, or Vagrant of any description. FORT ST. GEORGE, *May* 25, 1799.

In addition to the Government Advertisement published on the 25th of May 1799, prohibiting Europeans of every description from passing thro' the Company's dominions subject to this Presidency, without a regular Passport; The Right Honorable the Governor in Council is hereby pleased to give notice, that from and after the 1st day of June next ensuing, any European of whatever rank, description or country, who shall be discovered passing thro' the territories under this Presidency, beyond fifteen miles from Fort St. George, without being furnished with a regular passport, will be taken up and confined until the pleasure of Government shall be known.

2. The only exception which the Right Honorable the Governor in Council has been pleased to make to the foregoing resolution, is in favor of Officers Commanding Parties of His Majesty's or the Honorable Company's Troops.

3. For the more strict execution of this order, notice is hereby further given, that a reward of Ten Pagodas will be paid to any person who shall take up and bring into the nearest garrison, any European Deserter, or Vagrant of any description.

4. The following are the Officers by whom Passports will be issued on application.

By the Public Secretary to the Government, to persons not Military.

The Town Major, to Military persons belonging to the garrison of Fort St. George.

The Adjutant General of the Army, to all other Military persons leaving the Presidency.

The Residents at Hyderabad, Poonah, Mysore and Travancore, the several Collectors of Revenue, the Commercial Residents residing at Sea Ports, and Officers Commanding Military Stations.

FORT ST. GEORGE, *May* 15, 1802.

The Right Honorable the Governor in Council has been pleased to adopt the following modifications in the Regulations which have been established with regard to the issue of Passports.

It is directed that in future all Foreigners who arrive at Madras, do deliver their Passports at the Police Office in person, and that no Passports be issued to Foreigners, except at the Police Office. All Foreigners residing at any of the out-stations or elsewhere, under the authority of the Government of Fort St. George, or who may hereafter arrive, shall without delay report through the channel of the nearest Magistrate, Collector, or other local authority, their place of residence, occupation, period of arrival and from whence they have last come, to the Police Office at Madras, and any person failing to comply with this notification, will, on discovery be placed under personal restraint.

It will be the particular duty of Magistrates, Collectors, and other local authorities where Foreigners may reside, to explain to such persons this part of the regulations, and to see that the order is strictly enforced.

All Passports of whatever description, are in future to be translated into the Malabar, Gentoo and Hindoostanee languages.

Such parts of the existing Passport Regulations, as are not affected by the above rules, are to remain in full force.

FORT ST. GEORGE, *August* 22, 1807.

BANGY REGULATIONS.

GOVERNMENT ADVERTISEMENT.

NOTICE is hereby given, that, for the purpose of reducing the weight of the mails despatched by tappal, and of affording convenience to the public at large, a Bangy despatch, will, from the beginning of January next, be established on the routes that lead from Fort St. George to Fort William, to Seringapatam, and to Trichinopoly.

The bangy will be despatched three times a week, and the days of despatch from the Presidency will be, Tuesdays, Thursdays and Saturdays. The first bangy will consequently start on Tuesday the 2d January 1810.

All newspapers and all public despatches exceeding the weight of one ounce, will be reserved for the bangy; except in cases where the early receipt of any public despatch may be deemed

important, when it must be endorsed with the words, "by tappal," and in the case of extra newspapers, not exceeding the weight of a single letter, which will still be forwarded by tappal. When newspapers and public despatches, exceeding the weight of one ounce, may be addressed to or from stations beyond those to which the bangy is sent, they will be transmitted, as far as possible, by bangy, and forwarded by tappal only to, or from the final bangy station.

Parcels for the bangy must be delivered at the General Post Office, before the hour of 12 in the forenoon of the day on which the bangies are despatched, and the bangies will be despatched at 4 o'clock in the afternoon.

The bangies will be opened for the receipt of all parcels (with the exceptions hereafter mentioned), and the bangy-postage of a parcel, not exceeding fifty Rupees weight, will be three times the tappal postage of a single letter,—that of a parcel, not exceeding one hundred Rupees weight, will be six times the postage of a single letter;—and so on in arithmetical progression;—but no parcel, exceeding one thousand Rupees weight, will be received for transmission, by bangy.

Newspapers will be charged only with the present rate of postage, and the Government Gazette will, as at present, pass post free.

All parcels whose bulk exceeds the cube of six inches, will be charged with double postage, and none, whose bulk exceeds the cube of one foot, will be received for transmission by bangy.

Every precaution will be adopted for the security of parcels transmitted by bangy, and it is not apprehended that they will be exposed to any considerable degree of risk; but it is proper to notify, that the Post Office will not be held responsible for their safety.

I do hereby declare upon my honor, that to the best of my knowledge and belief, the following is a correct list of   Letters franked by me during the last month, under the restrictions specified in the fifth article of the Post Office Regulations.

19th, That no Abstract of Pay shall be discharged, except it be accompanied by a list to the above effect, and if it be paid without attention to this point, that circumstance alone shall be considered as a sufficient cause of retrenchment.

20th. That the lists given in by the Officers in the Civil Department shall be forwarded to the Office of the Civil Auditor with the

monthly accounts of the Persons paying the Abstracts, and those in the Military Department to the Office of the Military Auditor General.

Note.—Lists of Letters in the Military Department to be forwarded to the Post Master General.—G. O. 19th June 1817.

21st. That the lists so forwarded shall remain in deposite in the Office to which they are sent, for the purpose of being compared, if required, with the lists which will be ordered to be forwarded direct to the Post Master General from the Persons in charge of the subordinate Post Offices.

22d. That with a view of obviating the possibility of misconception with regard to the Letters intended to be exempted from Postage, it is to be unequivocally understood that, with the exception specified in the 1st, 5th and 10th Articles of these Regulations, all Letters and Papers that are not exclusively on the business of the Public Service, and that have not been previously entered as an Official Record, shall be subject to Postage; and should it come to the knowledge of the Governor in Council that any of the Officers, Civil or Military, now authorized to address Letters on the Service, have made an improper use of the trust so reposed in them, by forwarding Letters on their own private concerns under a cover superscribed, "On the Service," the Governor in Council will consider it a disqualification for Office.

23d. That should the name of any Public Officer obliged from his situation to carry on a public correspondence, be omitted in the list now published, such Officer must address a Letter to Government, stating the nature of his public correspondence, when if it be deemed of sufficient importance, his name will be added to the list, or some Public Officer, already included in the list, will be directed to superscribe his Letters, On the Service.

24th. That any Officer on duty, or leave of absence, at the Presidency, who may have occasion to correspond on the Public Service, shall carry his Letter to the Adjutant General who, upon being satisfied that the Letter is exclusively upon the Public Service, will frank the same.

25th. That all Officers similarly situated at the subordinates, shall apply to the Commanding Officers of the Stations where they may be then residing.

26th. That no Post Office Packet shall in future be opened between one Station and another for the accommodation of Travellers, as is understood to have been heretofore the practice, but should a competent Authority, or circumstances of an urgent public nature, at any time render it necessary for an Officer, in the execution of his duty to open a Public Mail, it must be carefully opened and closed by the Officer himself, and an official Letter must be addressed to the Post Master General explaining, under what orders or peculiar circumstances the measure was adopted.

27th. That no Letter which has once been delivered into any Post Office under this Government shall, in future be restored, except upon an official application in writing, in which the reason for making the application must be stated, a copy of which Letter will be forwarded, if necessary, to the Station to which the re-delivered Letter was addressed, in order to afford the means of detecting any frauds that may be attempted. It is, however, to be understood that the Postage will in no case be returned.

28th. That with a view to prevent the suppression of Private Letters and the misappropriation of the Postage collected on them, all Receipts granted in future at the Post Offices under this Presidency for Letters delivered in, shall be on stamped paper, each Receipt having the word single, double, treble, quadruple or packet, engraved on it in the English, Tamil, Telugu and Persian characters, and specifying at the same time in writing, or by a second stamp, the Station from which the Letter is despatched, the place to which it is addressed, the date of it's delivery into the first Post Office, and the Postage paid on it.—With this facility of discovery, every Individual, European or Native, whose Letter does not reach it's destination, will be enabled to obtain redress upon application to the Post Master General, but it is at the same time recommended to the Public, as an additional check, that every Person do insert in a book, to be kept for the purpose, the directions of all Letters to be sent by Tappal, with the name of the Station from which they are sent and the date of their delivery at the Post Office, and likewise that the stamped Receipts abovementioned may not be mislaid or thrown away, without which precautions the present Regulation cannot, it is feared, have the desired effect.

Under the Orders of Government dated 21st November 1815.

29th. No Person not belonging to the Department, can be admitted into the interior of the Post Office, or to be allowed of themselves to examine the records – all complaints or applications for information, must be made to the Post Master General in writing.

30th. Persons addressing the Post Master General respecting any delay in the delivery of their Letters, are requested to transmit, at the same time, the envelopes of such Letters bearing the Post Office Stamp, which specifies the date on which the Letters were issued for delivery.

31st. No persons can be permitted to take the Letters from the Peons, except in the regular course of delivery, and it is requested that the Peons may experience as little detention at the doors of houses as possible.

32d. Persons receiving Letters, are required to pay the amount of Postage marked on them, and if they have occasion to complain of any surcharge, they must state their complaint officially

to the Post Master General; should his decision not prove satisfactory, they are at liberty to appeal to the Governor in Council.

33d. All Letters refused by the Party to whom they are addressed, and all Ship Letters transmitted from subordinate Stations to the General Post Office on which the Ship Postage has not been paid, shall be returned to the Office from whence they were despatched, and the Writer, or the Person who brought them to the Office, shall be required to pay Postage both to and from the place of address—if the Writer cannot be discovered, the Letters shall be entered in a list which shall be exposed by the Post Master in the most public part of his Cutcherry, and a copy of which shall be transmitted from time to time to the Post Master General, who shall advertise the Letters in the Government Gazette, with notice that they will be delivered to the Writers on payment of the Postage due on them.

34th. Should the Writer of a returned Letter refuse to pay the Postage due on it, the Post Master is authorized to detain all future Letters to such Person's address, until the demand in question shall be liquidated—the same rule is applicable to all other cases of refusal to pay Postage.

35th. Any Person opening a Letter or Envelope, shall be bound to pay the Postage of the same, whatever may be the contents.

GOVERNMENT ADVERTISEMENT.

PUBLIC DEPARTMENT.

The Honorable the Governor in Council having had under consideration the Post Office arrangements of this Presidency, has been pleased to adopt the following supplementary rules, which are now published for general information, and are required to be duly observed by all Public Officers whom they concern.

1.—The employment of expresses, having at times considerably retarded the transmission of the mails, is hereby forbidden, except in cases of urgent importance; and, in such cases, the Officer employing the express is to state in the body of his despatch that he had deemed it incumbent upon him to do so,—whereby the circumstance will stand upon record and be open to investigation.

2.—It is provided by the existing regulations that public despatches exceeding a certain weight shall be reserved for the Bangy, unless endorsed with the words "*by Tappal*;" and it is hereby further required, that they shall not be so endorsed, unless the early receipt of them be of real importance.

3.—With the view of diminishing the bulk and weight of public despatches, it is hereby required that in future they be copied within the smallest space compatible with perfect legibility,—that they have $\frac{1}{8}$th instead of $\frac{1}{4}$th margin,—that all blank leaves be withdrawn,—that the enclosures whenever practicable, be written consecutively,—and that the packets be made up in the most compact form which the nature of their contents will allow.

4.—The payment of full postage having been sometimes evaded, by enclosing a number of letters under one cover and transmitting them by bangy instead of tappal, no packet will in future be received by the bangy, unless it be open at the ends, like a newspaper, and be found not to contain letters.

Published by order of the Honorable the Governor in Council.

Fort St. George, Nov. 26, 1811.

D. HILL,
Sub Sec. to the Govt.

GENERAL POST OFFICE, January, 1814.

No. 13.

On the Exemptions granted to Seamen in the Navy, and Soldiers in the Army, in respect of the postage of their letters.

1. Seamen and Soldiers within any part of His Majesty's dominions, to and from which there are regular Mails, can send and receive *single* letters, *on their own private concerns only*, while such Seaman or Soldier *shall be employed on His Majesty's Service, and not otherwise*, for one penny, pursuant to the Act of 46 Geo. 3, Cap. 92.

2. On letters FROM a Seaman, or from a Serjeant, Corporal, Trumpeter, Drummer, Fifer, and Private Soldier	The Penny must be paid at the time it is put into the Post Office. The Name of the Writer, his class or description, and the Name of the Ship, or Regiment, Corps or Detachment, must be written by himself. And the Officer actually having the Command, must sign his Name, and the Name of the Ship, or Regiment, Corps or Detachment, he commands.
3. On letters to Seamen or to Soldiers as above.	The Penny must be paid at the time the letter is put into the Post Office. It's direction must specify the class of the Person, and the Name of the Ship, or Regiment, Corps or Detachment, to which he belongs, that is to say—it must describe him, Seaman, Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private Soldier, as the case may be.

N. B.—All the foregoing descriptions must be legibly written, the initials of the Names of any Ships or Regiments being insufficient.

4. The Postmaster General requires Postmasters to examine every letter, purporting to be a Seaman's, or Soldier's letter, and if it be not *in all respects conformable to the above Regulations*, to charge it with full postage, recollecting that though the law has given the indulgence to Seamen and Soldiers *throughout His Majesty's dominions*, yet in such parts of those dominions with which there is no communication by Packet Boats, this privilege cannot be enjoyed.

Note.—His Majesty's Forces while serving in Spain, Portugal, France, Holland, and Sicily, and British Ships of War in the Harbours, and on the Coasts of those Countries, have the privilege extended to them, and single Letters of Seamen and Soldiers may accordingly pass for One Penny, under the usual restrictions.—They also pass for One Penny to Sicily, and to the King's Ships in the Mediterranean, being conveyed by the Packet Boats to Gibraltar and Malta, places within the King's dominions.

The following are forms to be used for each letter from a Seaman or Soldier, and also to a Seaman or Soldier, whether in the United Kingdom or in any of His Majesty's dominions abroad, without which *it cannot pass for One Penny, nor then, unless the Penny be paid at the time of putting the said letter into the Post Office*, in conformity to the preceding Articles.

SEAMEN.	SOLDIERS.
From A. B. Seaman, H. M. S Victory,	From A.B. Serjeant, (&c.) 60th Regt. Foot.

(here the direction of the letter to be inserted.)	*(here the direction of the letter to be inserted.)*

To A. B.	To A. B.
Seaman H. M. S. Victory.	Private 60th Regt. Foot (or Serjeant, Corporal, &c.)
(Here the direction to be finished.)	*(Here the direction to be finished.)*

5. Letters sent to or by *Commissioned or Warrant Officers, Midshipmen or Masters' Mates in the Navy, or by Captain's Clerks, and Schoolmasters,* are precluded the benefit of the Act, as are letters sent to or by *Commissioned or Warrant Officers in the Army*; and care must be taken that no Person in the Navy or Army, not entitled, shall obtain the benefit of this Act by having their letters addressed to themselves under the general description of Soldier, or Sailor.

6. If any Officer, having the command of the Ship, Vessel, Regiment, Corps, or Detachment, who is authorized to make his endorsement in the manner before specified on the letters of the Seamen or Soldiers under his command, shall wilfully and knowingly write his Name on any such letter, that is *not from such Seaman or Soldier on his private concerns only,* he will be liable for every offence to forfeit and pay the sum of Five Pounds.

7. If any Officer or other Person not *having at the time the Command of the Ship, Regiment, Corps or Detachment,* shall write his Name upon any such letter, in order that the same be sent at a lower rate of postage than by law established, he will be liable to forfeit and pay the sum of Five Pounds.

8. If any person shall knowingly and designedly address a letter *to any* Seaman or Soldier, which *shall be intended for another Person,* and which shall be concerning the affairs of another Person, with intent to evade the payment of the rate of postage by law established, by paying the Penny, every such Person so offending will, for every offence, be liable to forfeit and pay the sum of Five Pounds.

9. And if any person shall procure any Seaman or Soldier to obtain the signature of his Commanding Officer, to any letter to be sent by the post, which shall not be on the private concerns of such Seaman or Soldier; or if any Seaman or Soldier shall himself obtain the signature of his Commanding Officer upon any letter which shall not be from himself, on his own private concerns only, in order to avoid the payment of the rates of postage by law established, each and every person so offending will, for every offence, be liable to forfeit and pay the sum of Five Pounds.

10. If any Soldier or Seaman or other person entitled to send single letters for the postage of One Penny, shall forge the hand-writing of his Commanding Officer upon any such letter in order to avoid the payment of the higher rate of postage, he will be guilty of a misdemeanor, and may be prosecuted by indictment. In any such cases, the Deputies are to apprehend the parties, and report the proceedings for the Postmaster General's decision as to prosecution.

11. It having been a loose and irregular practice to permit Money Orders taken out for the use of Soldiers and Sailors to be folded up and passed as their letters, for One Penny each, that practice is hereby strictly forbidden, as such Orders must be enclosed in letters which are then liable to *double*, or treble Postage, or if folded in the shape of letters, and sent *singly*, to full single rates of postage. *The person applying to a Postmaster for a Money Order, should be desired to write his Name and place of abode on the back of the Order, or the Postmaster may do it himself.*

12. The Postmasters are required to give their attention to prevent any letters being sent for the Penny postage which relate at all to the public business of any branch of His Majesty's Military or Naval Service, the indulgence being strictly confined to the Soldier's or Sailor's *own private concerns.*

13. One moiety of the several penalties and forfeitures are for the use of His Majesty, and the other *moiety to the Person who shall inform*, which penalty may be recovered before any one or more of the Justices of the Peace, for the County, City, or Place where the offence shall be committed: and, in default of payments, such offenders are to be committed to the House of Correction for any space not exceeding one month, or till the penalty shall be sooner paid. And Postmasters must use every means in their power to obtain convictions when any abuse is committed.

By command of His Majesty's Postmaster General.

FRANCIS FREELING,

SECRETARY.

***The Postmaster is desired to cancel No. 13, dated Sept. 1813, and to use this instead.—He will find the correction in Sect. 5, where certain persons are not now mentioned as precluded the benefit of the Act, and those persons, viz. Caulkers, Ropemakers, Armourers, Cooks, Masters at Arms, and Master Sail-makers, may send and receive letters as common Seamen.

EXTRACT *of a* GENERAL LETTER *from England in the Public Department, dated* 15*th December* 1815.

Para. 2.—WE have resolved in addition to the privileges therein

contained, that all letters franked by the several parties* therein mentioned shall, on their arrival in India be forwarded to the persons to whom they may be addressed, free of any charge for inland postage; and also that all letters addressed by individuals in India to any of the parties mentioned in the Act of Parliament, shall likewise be free from all inland postage, in the same manner as letters franked by a Member of Parliament pass to and from any part of the United Kingdom free of postage.

We therefore direct that such instructions may be given to the Local Authorities in India as will most effectually meet our intentions, taking care to observe that the indulgence given by the 22d Clause of the Act above recited, so far as concerns the Directors, extends only to 12 months from the passing thereof†, and that after that period the privilege granted to us, with the exception of the Chairman, and Deputy Chairman, is confined to 5 oz. weight by each Ship in the Company's Service, and that all letters exceeding that allowance are to be subject as heretofore to the inland India postage.

* President of the Board of Controul.

The Commissioners and Secretary of Do. to the weight of 5 oz.

Chairman and Deputy Chairman and Directors of the East India Company by the H. C.'s Ships, to the weight of 5 oz. by each Ship.

The Great Officers of State in England, such as the Secretaries of State, &c. &c.

† i. e. 11th July 1815.

THE following Extract of a Letter from Lieutenant John Strover Criddle, 2d Assistant to the Marine Surveyor General, addressed to the Secretary to the Marine Board, at Fort William, under date the 4th of September last, is published for general information.

" With respect to the Armegon shoal, there is no Flag Staff at " that place, nor can Armegon Hill be discerned from the Southern " end of the shoal, and it frequently happens, that the Pulicat " Hills are obscured for many days—Soundings then become the " only guide, I therefore recommend, that no Ship proceeding " down the Coast should come under 12 fathoms, she will then be " from 2 to 3 miles off the shoal, consequently out of danger."

THE following directions for Vessels approaching the Roadstead of

Calingapatam, extracted from the Survey of the local Marine Officer, are published for general information.

In the S. W. Monsoon, the Flag Staff to bear W. b. N. ½ N. in 7 or 8 fathoms, and in the N. E. Monsoon, the Flag Staff to bear West in 8 fathoms, to give room for clearing a reef of Rocks, on which the sea breaks at low water, a little to the Southward of the Roads,—which may be known by several Rocks on the Beach and in the Surf.

Vessels coming along Shore from the Southward should not come under 10 fathoms, till the Flag Staff bears N. W. b. W.; when they may haul in for less water—Anchoring to the Southward of the above Bearings, Ships will have rocky ground.

From the Northward of the Rocks on the Beach, and in the Surf, the reef runs out about ¾ of a mile, in an E N. E direction.

PROSPECTUS of the MADRAS MILITARY FUND.

This Fund, which has been instituted by the Honorable Company's Army at this Presidency, has for its objects;—

To provide for the Families of Officers left, by their death, destitute of an adequate maintenance; and to assist Officers unprovided with aid by the Regulations of the Service, or from their own resources, under such circumstances of urgent sickness as renders a voyage to England necessary for the preservation of their lives.

This Institution holds out advantages to Subscribers of so

superior a kind, that all Officers of the Madras Army, are invited to become Members of it.—It is honored with the Patronage of the Honorable Court of Directors, by whom it is likewise liberally endowed.

It is not to be doubted, now, that the Fund has commenced operation, and the benefits derived from it are fully ascertained, that such Officers belonging to the Madras Establishment, as have not hitherto had an opportunity of becoming Subscribers to so benevolent a Fund, or were unacquainted with it's existence, will readily avail themselves of this occasion for contributing, both by their Donations and Subscriptions, to the furtherance of so philanthropic an Institution, of which, tho' all who contribute to it's maintenance, *may not themselves experience it's benefits*, still in the uncertainties of life, it is not impossible, that some so contributing may, at some future period, by an unexpected change of circumstances, partake of it's advantages: at all events they will possess the gratification of affording their aid, to a source from whence comfort and support will be derived to the Families of many a valuable Friend, and cotemporary in the Field.

Officers becoming Subscribers, within the period of six months after their first arrival in India, are not charged with any arrears of subscription; but after the expiration of that period, they are to pay up their arrears from the date of their arrival with compound interest.—Officers who were in the Service at the establishment of the the Fund, 1st April 1808, are to pay up all arrears from that period, calculated agreeably to the Regulations, and are to furnish affidavits of health.

Any unmarried Officer becoming a Subscriber shall, upon his marriage, pay up the additional Donation attaching to Subscribers who are married; that is, he shall pay 30 days Garrison pay and allowances of the rank he may then hold.

Any Subscriber proceeding to Europe on sick certificate, in conformity to the existing Regulations of the Government of Fort St. George, or such as may be hereafter framed (always provided with the declaration of two Surgeons, upon oath, shall certify a voyage to England to be in their judgment absolutely necessary for the recovery of his health) such Officer not being provided with passage money by the Regulations of the Service shall, on making oath that he does not possess the means of paying for his passage, be entitled to receive from the Military Fund the passage money regulated for his rank; and on a similar declaration, on oath, to the Agents in England, he shall be entitled, on his return to India, to receive the sum regulated for the outward-passage.

Any Subscriber so proceeding to Europe on sick certificate, being provided with a passage, either at the public expense, or as above

recited, who shall moreover make oath that he does not possess the means of purchasing the requisite clothing and equipment for the voyage, shall be entitled to receive from the Fund a further sum not exceeding 200 Pagodas; but not to any further sum on account of equipment on his return to India.—No Officer, although a Subscriber, who may proceed to Europe on furlough, and fall sick during such absence, is entitled to any of the benefits of the Fund, which are exclusively confined to Officers quitting India on sick certificate.

Subscribers who may proceed to England on sick certificate, and who shall make oath, that they do not possess property which will produce an income, including their pay, equal, if a Subaltern to £140, or if a Captain Lieutenant to £160, shall be allowed such sum annually, as with their pay and other income will make up £160 to a Captain Lieutenant, or £140 to a Subaltern, during the period of furlough, as regulated by the Court of Directors.

No Subscriber eligible to receive passage money or equipment allowance more than once in eight years, but in cases of urgent sickness which may occur within that period will be entitled to receive an advance equal thereto as a loan.

Officers who shall have subscribed to the Fund for a period of 8 years, are entitled to loans under the following circumstances, should the state of the Funds admit of it.

A Subscriber being desirous to send his Wife and Children to Europe shall be allowed a loan equal to the amount of 20 months subsistence of the rank he then holds, provided he shall have previously deposited with the Directors an irrevocable order engaging to repay the amount so borrowed, with interest at 8 per cent. within 22 months immediately succeeding the date of the advance. He shall also be required to deposite for the ultimate security of the Fund, a Personal Bond, in which he shall be joined by two Securities to be approved by the Directors, and assignment on any property he may possess.

A Subscriber who may be desirous to remit money to his Wife or Children in Europe, shall be allowed to receive an Order on the Agents of the Fund in England for any amount which he may have previously paid into the Fund here, either by Instalment or otherwise, provided always that any loss by exchange or otherwise shall be borne by such Subscriber.

A Subscriber proceeding to Europe on sick certificate with his Wife and Children shall be authorized to apply for the regulated passage money for such Wife and Children, to be advanced by the Military Fund as a loan; such loan, however, can only be advanced upon the Personal Bond of the Subscriber, including two Sureties to be approved by the Directors.—The amount to be repaid within two years after the Subscriber's return to India, provided he may have attained the rank of Captain, otherwise within two years after

he shall have attained that rank, and the Sureties to be bound to make good any balance or deficiency in the event of the Subscriber ceasing to be a Member of the Fund, by death or otherwise, before the Bond is discharged.

The objects of the Fund are—

To afford subsistence to the Widows and legitimate Children of Medical Officers, (Subscribers to the Fund) dying in circumstances of indigence and distress.

To assist Medical Officers, (Subscribers) who are obliged to go to Europe in consequence of ill health.

And to afford to the Senior Officers of the Medical Establishment (Subscribers) retiring from the Service, annuities for life under certain limitations, and depending on the state of the funds.

To the Widows of all Members whether Surgeons or Assistant Surgeons—having subscribed prior to the 5th of January, 1815, who are in the circumstances entitling them to assistance—The Fund grants such sums as will make their income three hundred Pounds sterling annually.

To the Widows of all Surgeons—the same as above.

And to the Widows of Assistant Surgeons who became Members subsequent to the 5th of January 1815, (unless the deceased shall have been fifteen years an Assistant Surgeon) the Fund affords such assistance as will make their income two hundred Pounds sterling per annum.

To the legitimate Children of deceased Subscribers, under circumstances entitling them to assistance from the Fund—It is granted at the following rates.

To Children under six years of age, the income is made up to twenty Pounds Sterling per annum—but, if a Child have lost both it's Parents, the sum is made up to thirty Pounds sterling per annum, and in the latter case the Trustees act as Guardians to the Orphan.

From the age of six to twelve years the sum is made up to forty Pounds per annum, and from twelve years of age till marriage or until the age of twenty-one years to seventy Pounds sterling per annum.

To Subscribers who find it necessary from ill health to go to Europe, and who procure the necessary certificate to obtain the sanction of Government for that purpose, such assistance is afforded as shall enable a Surgeon to expend the annual sum of three hundred Pounds sterling, and an Assistant Surgeon the annual sum of two hundred Pounds sterling; for a period not exceeding three years.—(Vide Deed.)

To the Senior Subscribers retiring from the Service, if the funds admit—annuities are granted of four hundred Pounds per annum for life.

Widows, Pensioners on the Fund, marrying a second time and thereby forfeiting their pensions, are, on becoming Widows a second time entitled to assistance, on furnishing the required affidavits.

Printed copies of the Fund Deed are to be purchased at the Office of the Madras Gazette—and information respecting the Fund is to be obtained at the Secretary's Office, (at the Medical Board Office) between the hours of eleven and three daily.

SIGNALS FOR SHIPS OR VESSELS IN THE OFFING.

SIGNALS respecting Ships or Vessels in the Offing, whether Men of War, or Merchantmen, are made from the top of the Fort Square of Fort St. George, on which there are three Signal Staffs. One consisting of an upright Mast, representing the East point of the compass with a yard flung by the middle across, the Arms of which pointing to the North and South points of the compass.

Three classes of Vessels are expresed by these Signals; Vessels of three Masts, of two Masts, and of one Mast.

An ensign, or square national flag, represents a Ship of three masts; a national flag, with two points or swallow's tail, represents a Brig or Snow, &c. of two masts; and a broad national pendant terminating in one point, represents a Sloop or Cutter, of one mast.

If either of these flags are hoisted to the top of the upright staff, the vessels seen are in the East Quarter of the compass; if hoisted to the North or South arms of the cross yard, the vessels seen are in the North or South Quarters of the compass.

The number of Ships that appear in the offing, are expressed by pendants. A white pendant signifies one Ship or Vessel; a red and white pendant, two Vessels; a red pendant, pierced with white, three Vessels; and a yellow pendant pierced with blue, four Vessels; when the number of vessels exceed four, they are to be considered as a Fleet; on which occasion a long blue and yellow pendant will be hoisted.

If the Vessels in sight are Men of War in the East Quarter, one of the numerical pendants will fly from the national flag of the upright staff; if in the North or South Quarters, the pendants will fly at the extremity of the yard arm over the national flags, hoisted on the stay of the North or South Arms of the cross yard.

If Merchantmen are seen in the North, South, or East Quarters, the numerical pendant will fly under the national flags. If the ships are Indiamen, a blue pendant will be displayed as usual under the Union flag of the Fort.

If a Fleet is in sight, one Gun will be fired after the signal for the Fleet is made, and if there are two Fleets of different Nations in the same point of the compass, the signal of the first seen Fleet will be lowered after the space of 15 minutes, and a fresh signal hoisted, which is likewise to be accompanied by a Gun.

A Packet is announced with a blue flag pierced with yellow, hoisted to the extremity of the Staff or Arms, expressive of the quarter she is in.

The annexed Plate represents the Flag of all Nations, that

trade to Madras; in the upper corner of which is represented the flag staff and yard, and the manner in which the Signals are made to express Ships or Vessels discovered in the North, South, and East Quarters of the compass.

The St. George's flag hoisted on the upright staff with a yellow pendant pierced with blue over it, announces that four sail of British Men of War appear to the Eastward; the Dutch flag of two points or swallow's tail hoisted on the stay of the Northern staff, and a red and white pendant over it at the extremity of the Arm, represents two Dutch armed Brigs or Snows in the North Quarter, and a French broad pendant hoisted to that stay of the South Arm of the cross yard, with a red pendant pierced with white flying over it at the extremity of the Arm, represents three French armed Cutters in the South Quarter of the compass.

If the numerical pendants, instead of flying at the extremity of the staff, are hoisted under the National flag, in the manner expressed by the letter M. they will describe the same class of vessels to be Merchantmen.

N. B.—The blue pendant flying under the Union flag of the Fort, with the St. George's Colours hoisted upon any one of the Signal staffs, expresses an Indiaman. A yellow pendant flying under the Union flag with either of the three white flags hoisted under any of the Signal staffs, represents a Spanish Vessel; and if a red pendant flies in the place of the yellow pendant, it will express a Portuguese. A blue and yellow pendant, flying over the national flag, represent a Fleet of Men of War, and under it, a Fleet of Merchantmen.

LIGHT HOUSE.

The Light House on the Exchange in Fort St. George was erected by the Exchange Committee, with the sanction of Government, in December 1796, and is of essential service to Ships coming into the roads in the night.

The Light is 90 feet above the level of the Sea at high water; it can be seen from the decks of the Honorable Company's Ships about 17 miles, and from their mast heads near 26 miles.

The South part of Pulicat shoal bears from the Light House, N. by E. half E. distance 12 miles; and to keep clear of the shoal, the light should always bear to the Westward S. S. W. ¾ W.

On the south, we find a part of the Whale, and of Eridanus, under the meridian; and south of Aldebaran is the Constellation Orion, the middle Star of the Sword shewing one of the most curious appearances in the heavens: still further east, and northerly of the Pleiades, is the Zodiacal Constellation Gemini: to the southward of the latter and about 15 degrees to the westward is the Star Procyon, in the Constellation of the Little Dog; between Procyon and Orion, and to the southward of both is Sirius in the Constel-

lation of the Great Dog, the brightest Star in the heavens. The Crab is just above the horizon, and the head of the Lion approaching it. To the northward we find the bright Star Capella more than two hours east of the meridian. The Constellation Auriga joining Capella to the east: still further east, and a little north, is the Lynx; north of which the western half of the Great Bear is seen above the horizon: On the south of Sirius we find the Constellation of the Dove; still further south, part of Argo Navis is seen above the horizon, the bright Star Canopus having risen about 2 hours & a half, West of the meridian and west of Aries, we find the Constellation of the Fishes; Capricornus is sinking below the horizon while Aquarius is seen at no great distance to the eastward of the latter. Mercury at the middle of the month passes the meridian an hour and a quarter before the Sun and rises at about 5 o'clock. Venus is still the Morning Star, rising at the beginning of the month at 5 o'clock; while Mars rises about an hour and a half later; and Jupiter about half an hour later than Mars: Saturn in the early part of the month, passes the meridian about 2 o'clock in the afternoon, rising at 8: and the Georgian Planet is on the meridian about the time Saturn rises.

The Sun rising at 5 H. 37 M. and setting at 6 H. 23 M. The regions about the North Pole have already enjoyed the presence of the Sun three months, without his having set. That luminary is now at his greatest altitude, and performs a circle round the horizon of the Pole, at an elevation of 23½ degrees; he continues above the horizon, but gradually approaching it, three months longer, when he is lost sight of, and begins to illumine the Southern Polar regions, which had been deprived of his light, during the six months he was to the northward of the Equator: but the *Great and Beneficent Creator of the Universe*, with his usual attention to the wants of those he has created, has so ordered the motion of the Moon, that when the Sun is absent from either of the Polar regions, that region has the benefit of this luminary when at the full; and it is only when her light is so faint as to be of little use, that she is to be found in the Hemisphere illuminated by the Sun. Mercury in the beginning of the month rises at half an hour past 4 in the morning: Venus is still the Morning Star, and rises at a quarter of an hour before 4: Mars at about 3 in the morning, and Jupiter at 11 at night; Saturn is in quadrature on the 22d and rises at midnight; and the Georgian Planet is in opposition on the 14th, rising at the time the Sun sets.

At the regions about the North Pole the Sun has sunk below the horizon, his image, however, remains visible some time longer, owing to the refractive power of the atmosphere. On the 19th there will be a Solar Eclipse, invisible at Madras. On the 11th the Moon passes beta Tauri; on the 14th Pollux; on the 19th Venus; on the 21st Spicæ, and on the 25th Antares. BENGAL PROVIDENT SOCIETY.

In pursuance of Public Notice given, in the Journals of Calcutta, that a Meeting of the Subscribers (and others intending to subscribe), to the newly proposed Institution, to be styled the 'Bengal Provident Society,' would take place in the Town Hall of Calcutta, on this day, the 11th of September 1815, in order to take into consideration the several Propositions for Establishing, Regulating, and Managing the said Society, the said Meeting was convened accordingly, when

Mr. Palmer being requested by the unanimous voice of the Meeting to take the chair, the following Propositions were made, discussed, and finally agreed to.

Article I.—That it is desirable for the Population of India, and particularly the rising generation, that a Perpetual Society should be formed and established by an unlimited number of Subscribers, the chief object of which will be to secure to Children surviving a fixed period of a sum of money, according to their respective interests in the said Society.

Article II.—That in order to effect so desirable a purpose, the Society shall be divided into periodical Classes, each to terminate fourteen years after its commencement, (except the First Class,) that is to say, the First Class shall commence on the 1st of October 1815, and Subscriptions will be received for that Class only, until the 31st of December 1816, when the Lives entered on the Books of the said First Class who shall survive the 31st day of December 1829, at midnight (the meridian of Calcutta,) will be entitled to a Dividend of the Capital subscribed in the First Class, and the Interest accumulated thereon, as hereafter to be mentioned.

Article III.—That the Second Class will commence on the 1st of January 1817, for which Subscriptions shall be received until the 31st of December of the same year, when the Lives entered upon the Books of the said Class, who shall survive the 31st of December 1830, at midnight as aforesaid, will be entitled to a Dividend on the Capital subscribed during the said year of 1817, with the Interest accumulated thereon.

Article IV.—That the succeeding Classes shall commence on the 1st of January in every year, and close on the 31st of December following, when the Lives entered, and Subscriptions received between those periods, will constitute a distinct Class, and distinct Capital, the Dividend on each to fall due 14 years after they have respectively commenced.

Article V.—That the Capital of each Class shall be raised by Shares nominally valued at Sa. Rs. 200, an averaged addition being made, agreeable to the following rates, which are in exact proportion to the probabilities attending Life in every Age, viz.

		Sa. Rs.
A Child from its Birth to 6 Months old,		200
6 Months, and not exceeding 1 Year..		220

27	32 ——	240
32	38 ——	230
38	46 ——	210

Article VI.—That Individuals may take Shares either on their own Lives or the Lives of others, and in either case the Parties subscribing to be considered as Members of the Society, and have a voice in the management of its Concerns.

Article VII.—That in order to be admitted on the Books of the Society, no attestation of the Parties subscribing is or shall be required, or any Certificate of Health from a Medical Gentleman.

Article VIII.—That the Premiums for Shares, shall be made in one Collection, and no Subscriptions shall be forfeited on any account, except, that of the Life being extinct, on which such Shares have been taken, and for the convenience of Subscribers, the Government Notes and Securities, will be taken in payment at the value of the day.

Article IX.—That the Funds shall be invested in the Notes of Government, or such other undeniable Securities, as the Directors (hereafter to be chosen) shall deem most eligible; the said Securities to be indorsed to three or more of the Directors on behalf of the Society.

Article X.—That Entries into a Class after the date of its commencement will be charged Interest, at the rate of 12 per Cent. per Annum on the amount of Premiums from that date to the day of entry.

Article XI.—That five Persons residing in Calcutta, shall be nominated Directors of the First Fourteen Classes, who shall continue until a Dividend is declared on the surviving Members of the First Class, after which period they will retire, and their seats be filled by an equal number chosen from among the Members of the Second Class, and on the same principle every succeeding year's Direction shall be chosen.

Article XII.—That the business of the Directors shall be to superintend and control the management of the Funds, to examine the Accounts from time to time, and attend to the general concerns of the Society; the opinion of a majority thereof shall be conclusive in all cases relating thereto, provided they do not interfere with these Regulations, but that no Director is to have a voice in any Proposition in which he may be individually interested.

Article XIII.—That on all appointed Meetings, three of the

of Calcutta, be appointed Directors, and to serve agreeable to the tenor of the 11th Article of these Regulations, viz.
